TENDER: NCT/PWT/02/2021: SUPPLY AND DELIVERY OF MAINTENANCE FREE SOLAR BATTERIES

Please find below response to a Tender-Query raised by a prospective bidder(s).

Bidders must take note that this document becomes part of the Tender documents and will be circulated through our website to all the bidders who are participating in the tender process

No	Related RFP Document	Bidder's Query	Response
1	Bidding Procedures	<p>We would like clarification on the above mentioned tender. Maintenance free gel cell deep cycle batteries do not get up to the life span of 10 years, 10000 cycles. The latest tech of lithium will get to 10 years but not 10000 cycles.</p> <p>Is the application suitable to apply lithium technology or we maintain gel though it cannot meet the required life expectancy</p>	<p>Bidders must maintain the specification for a deep cycle maintenance free Gel battery type save for the life expectancy.</p> <p>The life expectancy, on page 15 of the bidding document, has been revised to at least 6 years (or 1000 cycles at 50% depth of discharge).</p>
